The theme for today’s graduation ceremony is “Sustainable Capacity Building and Innovation as we celebrate 25 years of God’s Grace.” Thanks to the Almighty God for this gracious occasion.

Ndejje University’s operational activities are enshrined in its Vision and Mission Statements that are aligned with the university’s Strategic Plan.

Our mission is “To provide Christian-based high quality and innovative learning opportunities for students, staff and the society.”

This graduation ceremony is part of a series of activities this year to celebrate Ndejje University’s silver jubilee. These events were started in February with the launch of the Academic Public-private partnerships, followed by a Thanksgiving service, an Alumni association day and will be crowned with the holding of the 17th edition of the National Inter Alumni Association day and will be celebrated this year to celebrate Ndejje University’s silver jubilee.

In 2002, the ownership of Ndejje University was transferred from the government to the private sector, a move that was aimed at rejuvenating the livelihoods of the communities in the greater Luwero region. On this Ndejje Hill was aimed at providing a Christian-based University to serve the community. It is, therefore, a time to thank God for this gracious occasion.

The total area of approximately 1.1 square miles in Luwero and Wakaliga Road. Ndejje University’s asset base has reached a value of 70 billion Shillings over the years, demonstrating our progressive growth.

We would like to thank God for this gracious occasion. We would like to thank Ndejje University for providing us with the opportunity to pursue our education and to continue with our passion for learning.

To our Graduands, Congratulations to you all. To our guardians for the sacrifices made and for your guidance.

To our bankers. Also on sources of funding, we cannot overemphasize the importance of cooperation with both national and international organizations and agencies, where numerous milestones have been achieved. The government of Uganda with the support from the faculty of Social Sciences and Humanities, was registered as the first Ugandan athlete to have won a gold medal in 10,000m at the event, since 1973. Another Athlete, Ms. Akuat Dokoo won two medals, Silver and Bronze in 1,500m and 800m respectively and was recorded as the only female Ugandan to win medals at the event. The three medals won by Akuat and Bakhobi assisted Uganda to be ranked 34th out of the 146 countries that participated and the two athletes were awarded honorary diplomas and gifts for their outstanding performance.

Due to our commitment to the development of sports in the country, we were nominated, and are preparing to host the Association of Uganda Sports Authorities (AUAS) biannual inter university games, slated for 17th December 2017. This is a national event that has up to 3,000 students’ attendance and we expect to host over 8,000 students during the event. In order to successfully organizing this event, we require up to two billion Shillings.
