**Main Purpose of the Job**

The SOCY Project Technical Lead will play a critical role in the planning, coordination and implementation of Sustainable Outcomes for Children and Youth (SOCY) interventions in the 4 districts of Wakiso, Mityana, Gomba and Rakai. Working with the district TASO and relevant ministries, the SOCY Project Technical Lead shall be responsible for overall project oversight in identifying and coordinating/leadership and implementation of Sustainable Outcomes for Children and Youth OVC interventions in the 4 districts of Wakiso, Mityana, Gomba and Rakai. The overall performance of the Referrals and Linkages Facilitator will be based on the extent to which all bi-directional referral systems are functioning.

**PERSON SPECIFICATIONS: Project Technical Lead (SOCY)**

**QUALIFICATIONS AND EXPERIENCE**

**Minimum Academic Qualifications**

- Master’s degree in Social Work & Social Administration, Public Health and International Development

**Additional Training Necessary**

- Experience with institutional strengthening and partnership building will be very essential.
- Experience in strategic information management is an added advantage.
- Experience in developing and managing referral systems is an added advantage.
- Excel, PowerPoint and Outlook; experience with DATINV and/or a statistical software a plus.
- Evidence of a professional qualification in HIV/AIDS Counselling
- Demonstrated computer skills in MS Office Applications and experience in strategic information management is an added advantage

**Minimum Experience and Exposure**

- 3-7 years of experience in programs targeting orphans and vulnerable children and/or adolescent girls.
- Experience with parenting/care giver programs, socio-economic approaches and/or cash grants strongly preferred.
- Relevant experience in project management and utilization of resources.

**Duty Station:** Based at TASO Headquarters - Kampala, Uganda

**Reports To:** Manager Community Systems Strengthening

**Directly Supervises:**

- Monitoring and Evaluation Officer
- Social Workers
- Referrals and Linkages Facilitators

**Main Purpose of the Job**

The SOCY Project Technical Lead will play a pivotal role in developing and ensuring functional bi-directional referral systems between community-based organizations and service providers. The overall performance of the Referrals and Linkages Facilitator will be based on the extent to which all bi-directional referral systems are functioning.

**PERSON SPECIFICATIONS: Referrals and Linkages Facilitator (SOCY)**

**QUALIFICATIONS AND EXPERIENCE**
