

Africa Educational Trust (AET)

EMPLOYMENT OPPORTUNITY

Africa Educational Trust (AET) Uganda specializes in improving access to and the quality of primary and secondary education. AET is looking to recruit dynamic people to fill the following positions of **Country Manager** and **Monitoring and Evaluation Officer**.

Country Manager: Based in **Kampala**, the Country Manager is responsible for the overall supervision of project and administration staff and is directly responsible for operations in Uganda. They should have a Degree in education, or a relevant field and be knowledgeable about education sector policy and practice in Uganda. They should bring a minimum of two years' programme management experience including staff and financial management. Strong communication, leadership and people management skills are essential, as is the ability to network, build relationships with key stakeholders and be a creative problem solver. They should have excellent written English and experience of fundraising.

M&E Officer: Based in **Lira**, the M&E Officer will be responsible for co-ordinating monitoring and evaluation activities of projects and programmes. Candidates should have a relevant degree in Social Sciences and at least 2 years' experience of monitoring education projects. They should have excellent research and communication skills, be proficient in Word and Excel and have good interpersonal skills.

Eligible candidates should submit their CV, copies of certificates and covering letter to: hr@africaeducationaltrust.org

Closing date is 2nd March 2018. Interviews will be held 10th March 2018.
